

2011 National Judge

Dorota Grudniewicz
Landscape architect
Ottawa, Ontario

Dorota Grudniewicz is a landscape architect with the National Capital Commission, Ottawa.

She was a judge for the Winterlights program. She had been a design manager for the Capital Floral and Christmas Lights programs for the past 10 years.

She is a member and a vice-chair of the City of Ottawa Urban Design Review Panel that is an independent advisory panel of volunteer professionals who provide an objective peer review of development projects throughout the City's Design Priority Areas.

Dorota is the recipient of several awards for her work at the NCC including the Government of Canada Merit Award and recognitions for the delivery of the NCC Floral Program.

Prior to working as a landscape architect, Dorota taught landscape architecture design for the Cracow University of Technology in Poland.

Dorota lives in Ottawa, is married and have two grown up children.
